# Captivated

4 2 2 12.5m<sup>2</sup> 205m<sup>2</sup>

When it comes to home designs you want something captivating in both functionality and style. Enter Captivated, named for its effect on everyone who sees it. 205.36m<sup>2</sup> of a stunning design meets creative separation (the good kind) for growing families of all kinds. Because when it comes to a mix of introverted and extraverted personalities, you've got to plan to cater for both.

## Open plan living

Because it's all about the 'flow'. Catch up on the latest gossip while stirring the pot (the one on your stove) without losing sight of the two or four-legged rugrats outside.

## Master suite

Because you deserve a bedroom fit for nobility. Complete with walk-in robe and glamorous ensuite to really make you feel like the King or Queen of your castle.

## Island kitchen

Aspiring chef's paradise or entertainer's dream, meet the heart of your new home. From quiet heart-to-hearts to raucous dinner parties, your new island bench is up to the task.

## Large laundry

It's inevitable, so let's make it fun. Big enough and smart enough to make short work of the heaviest of loads, it's a laundry lover's dream (yes, they exist!)
