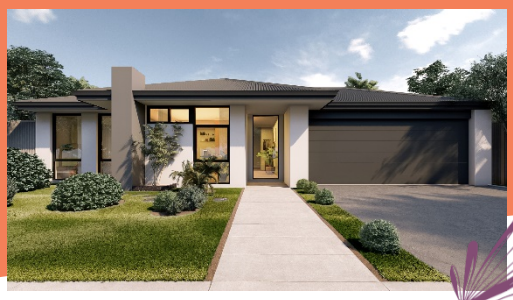
Sipped

4 2 2 12.5m² 211m²



Sipped is exactly what the name implies, something to savour, not rush (and it will make people talk)! You have the full space to host (and sip your wine too) plus the space to spread out with three separated zones for kids, adults and entertainment.

Home Theatre

Movie buffs, you've got your very own red carpet-worthy theatre. Perfect for screenings of the latest big-budget blockbuster, mind-bending drama or sweet rom-com. Frocks optional, sweats encouraged.

Master Suite

Because you deserve a bedroom fit for nobility. Complete with walk-in robe and glamorous ensuite to really make you feel like the King or Queen of your castle.

Open Plan Living

Because it's all about the 'flow'. Catch up on the latest gossip while stirring the pot (the one on your stove) without losing sight of the two or four-legged rugrats outside.

Separate Children's Wing

Need we say more? We love a rendition of Let It Go as much as you, but it'll be nice to put a little distance between yourself and Elsa occasionally, yeah?
