 241m²

It's time to dream big. And the biggest news on the block is the size of this floorplan. Mr Big is coming in hot with a 240m² design and room for everything: a home office, walk-in linen closet, home theatre, and a double garage. No need to pinch yourself, this is no dream – it's a dream come true.

Home office

For those who need a little more zen to work you can get down to business, because your new home isn't the only place you're making your mark.

Home theatre

Movie buffs, you've got your very own red carpet-worthy theatre. Perfect for screenings of the latest big-budget blockbuster, mind-bending drama or sweet rom-com. Frocks optional, sweats encouraged.

Resort ensuite

The best thing about those glamorous resort holidays? The huge double showers and his and hers sinks. Even better than that? Enjoying them year-round. Meet your new reality.

Walk-in pantry

Once you've met your new walk-in pantry, you'll wonder how you lived any other way. With everything you need in easy reach, you'll be grabbing, cooking and... voilà! Dinner, done.
