When it comes to home design, you don't want average. You want rad. How? A central kitchen with on-trend island bench. Open plan living with outlooks to the alfresco. Separate zones for kids and adults. Family theatre in the middle to pull it all together.

Open plan living

Because it's all about the 'flow'. Catch up on the latest gossip while stirring the pot (the one on your stove) without losing sight of the two or four-legged rugrats outside.

Master suite

Because you deserve a bedroom fit for nobility. Complete with walk-in robe and glamorous ensuite to really make you feel like the King or Queen of your castle.

Island kitchen

Aspiring chef's paradise or entertainer's dream, meet the heart of your new home. From quiet heart-to-hearts to raucous dinner parties, your new island bench is up to the task.

Large laundry

It's inevitable, so let's make it fun. Big enough and smart enough to make short work of the heaviest of loads, it's a laundry lover's dream (yes, they exist!)
