This home just slays. We don't really need to say anymore, but we will. It starts with that big open plan living space. Slay. The huge island kitchen with scullery and laundry behind. Slay. The master bedroom with ensuite AND walk-in dressing room. SLAY. We can keep going. The theatre that will be whatever you want it to be—listening room, music room, craft room, or Netflix and chill room. The separate children or guest's wing. The I.T. hub that makes the most perfect office. Or homework zone.
