

Hustler

4 2 2 232m²

It stars all the usual suspects and a host of dazzling extras. A master with built-in AND walk-in. Theatre for you AND activity room for the kids. Walk-in pantry AND walk-in linen cupboard. But the best part, in our humble opinion? That open plan living situation. It's got an island bench. A living and dining space that BOTH open onto the alfresco. From your vantage point in the kitchen, you'll be able to take in it all.

200m²+ design

Because you need it all – comfortable living, room to grow, and all the amenities. Space? Tick. Style? Tick. Maintaining your sanity with a mix of private zones? Big tick.

5th room?

More a Netflix in bed type? Go without the theatre and convert it into another bedroom for the kids, furkids, or that third wheel you just can't get out the door.

Double garage

Tuck those prized rides in for the night and sleep sweetly yourself knowing they're both safe and sound. No need to play favourites.

Ensuite

Is there anything better than a bathroom of one's own? Yours comes complete with walk-in robe, shower, quality cabinetry and basin, and of course, separate toilet.
