Every choice is on point. A home theatre at the front. A master bedroom cushioned behind it for uninterrupted weekend sleep-ins—no matter what's happening on the street in front. A separate wing for kids or guests at the back. A huge kitchen with a huge scullery, walk-in pantry, and hidden laundry complete with linen cupboard. Seriously. And we haven't even got to the open plan living and dining yet.

Island kitchen

Aspiring chef's paradise or entertainer's dream, meet the heart of your new home. From quiet heart-to-hearts to raucous dinner parties, your new island bench is up to the task.

Home theatre

Movie buffs, you've got your very own red carpet-worthy theatre. Perfect for screenings of the latest big-budget blockbuster, mind-bending drama or sweet rom-com. Frocks optional, sweats encouraged.

Double garage

Tuck those prized rides in for the night and sleep sweetly yourself knowing they're both safe and sound. No need to play favourites.

Open plan living

Because it's all about the 'flow'. Catch up on the latest gossip while stirring the pot (the one on your stove) without losing sight of the two or four-legged rugrats outside.
