Rear living

There's a reason this is the most popular layout – peace, privacy and quaint garden views. The hustle and bustle of the street will feel a whole world away.

Walk-in robe

Wardrobe overflowing? Enter – the walk-in. With shelving, hanging and storage space galore, consider your sartorial prayers answered. Yes, this sparks joy.

Island kitchen

Aspiring chef's paradise or entertainer's dream, meet the heart of your new home. From quiet heart-to-hearts to raucous dinner parties, your new island bench is up to the task.

Compact design

Because clever design > a large footprint. Modern, chic and uber-low maintenance so you can spend your weekends actually enjoying your new home, not maintaining it.
