

Soft Launch

4 2 2 160m²

Soft Launch is your first step into homeownership and a pretty exciting one at that. With four bedrooms, two bathrooms, a double garage and easy open-plan living, it's got everything you need to settle in and make it yours from day one. Think of it as your soft launch into the good life - no waiting for the "dream home" to start living it.

Island kitchen

Aspiring chef's paradise or entertainer's dream, meet the heart of your new home. From quiet heart-to-hearts to raucous dinner parties, your new island bench is up to the task.

Separate children's wing

Need we say more? We love a rendition of Let It Go as much as you, but it'll be nice to put a little distance between yourself and Elsa occasionally, yeah?

Open plan living

Because it's all about the 'flow'. Catch up on the latest gossip while stirring the pot (the one on your stove) without losing sight of the two or four-legged rugrats outside.

Double garage

Tuck those prized rides in for the night and sleep sweetly yourself knowing they're both safe and sound. No need to play favourites.
