

Thrifty

3 2 2 130m²

Thrifty is all about the joy of a great find. Smart, stylish and full of value, this three-bedroom, two-bathroom home makes clever use of every square metre. The open-plan kitchen, dining and living zone keeps things feeling easy and connected, while the main suite and thoughtful storage bring plenty of everyday practicality. A little clever, very loveable - Thrifty is one worth snapping up.

Rear living

There's a reason this is the most popular layout – peace, privacy and quaint garden views. The hustle and bustle of the street will feel a whole world away.

Double garage

Tuck those prized rides in for the night and sleep sweetly yourself knowing they're both safe and sound. No need to play favourites.

Open plan living

Because it's all about the 'flow'. Catch up on the latest gossip while stirring the pot (the one on your stove) without losing sight of the two or four-legged rugrats.

Island kitchen

Aspiring chef's paradise or entertainer's dream, meet the heart of your new home. From quiet heart-to-hearts to raucous dinner parties, your new island bench is up to the task.
